ALPINE - CHAMONIX

## *Chalet Serena*

### Set within the exclusive enclave of

Prairie des Fleurs, Chalet Serena is perfectly placed for a summer retreat. The peaceful landscaped gardens and terrace areas are bathed in sunshine much of the day, due to the south facing position. The chalet is located high on the mountainside with dramatic and outstanding views of the Mont Blanc Massif opposite; a sight you will never tire of. The woodland behind hides the trail leading up to the Merlot Animal Park and mountain trails to the summit and Brevent. With the Tyrolean Adventure Park only a 5 minute walk away, there's a great deal to do close by and Chamonix town is only 10 minutes by car or even by train.

### About Chamonix & Pampering

#### About Chamonix

As the snow melts and the valley begins to blossom, a colourful beauty unveils itself, the heart warming picture of alpine summer. The dramatic scenery within the Chamonix valley is truly magnificent and we believe, unsurpassed particularly at this time of year.

Long hot summer days, with average daytime temperatures of 24-27°C between June and September, makes Chamonix the perfect playground for golfers, walkers, adventurers, gourmets, culture vultures and families.

#### Pampering & Adventures

To make the most of your visit to Chamonix we have developed an exciting list of activities, pampering and adventures that take advantage of our unique surroundings and can be combined in any way you choose. We will of course make the reservations and other arrangements for your trip – you just enjoy your stay! See below for a flavour of what is available.
