## *Villa Solmio*

The Solmio has a distinct quality that is welcoming, warm and with a no nonsense appeal. The interior has character in abundance, with exposed beams, charismatic art, feature bathrooms and furnishings with your comfort in mind; altogether, a colourful, homely experience. The spacious layout promotes a relaxing environment, effortlessly accommodating 14 guests. An outdoor lounge area offers the opportunity to unwind amidst the soothing temperatures, safely in shade with the refreshing pool but a few steps away. From here, the views of the countryside and its undulating terrain are simply wonderful and refreshing to the eye. A sight that is equally alluring during the summer evenings as homes light up the hill sides, like stars in the night, a perfect backdrop as you dine alfresco in true Ibizaian style.

#### About Ibiza & Pampering

#### About Ibiza

The Balearic island of Ibiza has long been considered one of Europe's premier destinations, particularly for night life but more recently, the core elements of this beautiful Spanish isle; the stunning scenery and cosmopolitan culture, have reignited the world's attention and reaffirmed its marque as an international luxury destination.

Few resorts successfully marry glamour and energy with a sedate pace of life but here such contrasts co-exist with incredible style and elegance, making Ibiza one of Spain's foremost summer attractions, appealing to all ages.

#### Pampering & Adventures

When making a reservation at a World of Indulgence villa you are doing more than booking a property.
