MARBELLA

## *Villa Flamingos*

### Villa Flamingos is a formidable

property with a stunning cosmopolitan style thoroughly befitting the modern day Marbella ideal. It stands high on a cliff top, overlooking the vibrant green fairways of the Los Flamingos golf course and enjoying the amazing coastal views beyond. The architecture is inspiring; purposefully built to draw in light and to fully absorb the surrounding scenery.

The stylish interior is chic and sophisticated.

The bedrooms are contemporary with plush en-suites and most have their own private balcony. Guests are spoilt for choice between the feature outdoor pool with Jacuzzi and sun loungers or opting for the indoor spa pool with beautiful artistry adorning the ceiling and walls. Not forgetting the tennis courts and private putting green (9-holes); larger groups will find it hard not to be entertained here.
