Chalet Bergère

The Baroque Chapel is what first captures your eye as you drive up to the Chalet du Bergere; glance over your shoulder and the magnificence of the entire Massif Mont Blanc is there to behold.

Four luxurious double/twin bedrooms, sauna and inviting living space help complete this picture as an alpine haven. The chalet has a cosy designer feel to it, elegantly capturing both contemporary and traditional styles. Polished granite bathrooms, crisp white linen sheets, cow leather poufs and a large farm table are just samples of the all-encompassing luxury.

As part of the Hamlet of Les Granges d'en Haut you will have access to the resort's 'Silver Spa' facilities including swimming pool, fitness room and beauty cabins (treatments extra). The Bergere is situated just minutes from the mythical Kandahar Ski World Cup downhill course in the family friendly ski area of Les Houches. All of this, combined with the unrivalled Pollen-Brooks services, we believe will make leaving the one regret of your vacation. World class skiing, adventure and wellbeing only one hour from Geneva airport.

Chalet Bergère About Chamonix

Majestic Mont-Blanc, one of the worlds natural wonders and the highest mountain in Western Europe is where the Chamonix Valley can be found. Chamonix town is an ancient mountain town with a stylish atmosphere and a blend of French charm, varied skiing and modern facilities that few other alpine resorts can match. People return time after time and always discover something new.

With its pedestrianised cobbled streets and squares, beautiful buildings and fast running river Chamonix also has an excellent choice of quality shops, boutiques, cafes, bars, restaurants, clubs, casino and a Saturday market that should not be missed.

Chamonix is consistently rated as one of the top ten ski areas in the world and a must by all ski enthusiasts. The legendary skiing caters for every taste and ability.

Some 90% of the ski area is above 2000m with an excellent snow record and a long season from December to May. It is the home of the legendary 23 kilometre Vallee Blanche and the Kandahar World Cup downhill runs. The lift pass which, covers 750km of pisted skiing includes the elegant resort of Courmayeur in Italy that is a short hop through the Mont-Blanc tunnel as well as Megeve and Les Contamines.

All of this and less than one hour from Geneva airport.
