

Chalet Rosana

Traditional on the outside yet thoroughly modern on the inside –

Chalet Rosana in Chamonix is one of our most contemporary chalets. It has been renovated to a high standard of modern design incorporating the latest technology in home comforts and entertainment.

Rosana offers versatile accommodation with 4 bedrooms that can be dressed as doubles or twins, a double bedroom and a room with a single bed that also has a pull-out mattress, ideal for children sharing.

The facilities here are excellent; a cinema screen and projector drop down from the ceiling in the sitting room enabling everyone to come together to watch a film. Down on the ground floor, the TV room with its own bar offers further space to relax. A games room with pool table adds to the social setting. Guests can unwind in the outdoor Jacuzzi and sauna or simply indulge in a therapeutic massage. Quite simply, there's plenty to entertain...including a gym for the fitness fanatic.

Chalet Rosana About Chamonix

Majestic Mont-Blanc, one of the worlds natural wonders and the highest mountain in Western Europe is where the Chamonix Valley can be found. Chamonix town is an ancient mountain town with a stylish atmosphere and a blend of French charm, varied skiing and modern facilities that few other alpine resorts can match. People return time after time and always discover something new.

With its pedestrianised cobbled streets and squares, beautiful buildings and fast running river Chamonix also has an excellent choice of quality shops, boutiques, cafes, bars, restaurants, clubs, casino and a Saturday market that should not be missed.

Chamonix is consistently rated as one of the top ten ski areas in the world and a must by all ski enthusiasts. The legendary skiing caters for every taste and ability. Some 90% of the ski area is above 2000m with an excellent snow record and a long season from December to May. It is the home of the legendary 23 kilometre Vallee Blanche and the Kandahar World Cup downhill runs. The lift pass which, covers 750km of pisted skiing includes the elegant resort of Courmayeur in Italy that is a short hop through the Mont-Blanc tunnel as well as Megeve and Les Contamines.

All of this and less than one hour from Geneva airport.
