

IBIZA

Finca Mirabella Estate

A perfect hill top hideaway near San Jose, set within peaceful surroundings and immense vibrant gardens. The countryside setting offers privacy and a romantic sense of isolation typically associated with an authentic Spanish farmhouse. Although restored to provide luxury and comfort, Finca Mirabella retains the traditional earthy appeal expected of a 200 year old finca, with whitewashed walls and exposed old beams throughout the spacious interior. Here, there is considerable emphasis on living in the outdoor with several lounge areas and an alfresco dining area, all covered and around the pool, making a truly relaxing and sociable environment. With bedrooms in the main house and the 2 guest houses, families and friends can comfortably enjoy this rustic Ibizian retreat.
